Bid#14004

Artificial Reef Ball Modules: The Mississippi Department of Marine Resources is seeking bids for Artificial Reef Ball Modules.

Question	Bid Section	Bid Page	Question	MDMR Response
1			Reef balls are to be manufactured on site, will DMR have any equipment on site to move modules?	NO
2			Is DMR providing molds for the modules, or is this to be provided by the contractor?	BY CONTRACTOR
3			If molds are to be provided by the contractor, can the contractor create a mold to meet the specs or are molds to be purchased from specific supplier?	AS LONG AS THE SPECIFICATIONS ARE MET, THE CONTRACTOR CAN CREATE A MOLD.
4			Is DMR requiring licensed “Reef Ball Module” Contractors for this project?	NO, NOT REQUIRED IN THESE BID SPECS

5			Is DMR requiring patented “Reef Ball Module” forms to be utilized for the manufacturing of the modules.	NO, NOT REQUIRED IN THESE BID SPECS
6			Please give clarification to Item #13 of Invitation, is “lead time” the time delivery is made prior to August 15, 2013?	NO#13 IS STANDARD LANGUAGE FOR DMR BIDS. BECAUSE THESE MODULES WILL BE BUILT ON SITE AND NOT DELIVERED, NO#13 DOES NOT APPLY TO THIS BID.
