

The Department of Marine Resources is extending an invite to a project informational meeting for potential vendors for the Invasive Species Plant Assessment and Monitoring on April 7th at 1:00-3:00p.m on the 2nd floor in room 205.

If you would like to attend to hear more about the project and ask any questions, please join us. For any additional concerns, please contact Sonja Slater at sonja.slater@dmr.ms.gov .

Thank you,

Sonja Slater
